WASHINGTON, D.C. 20460

### MEMORANDUM

DATE: September 27, 2025

SUBJECT: Environmental Protection Agency (EPA) Interim Policy Notice (IPN) 25-15, Federal Acquisition Regulation (FAR) Class Deviation, RFO-2025-26, for FAR Part 26 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

FROM: Stefan Martiyan  
EPA Senior Procurement Executive  
Office of Acquisition Solutions

TO: EPA Acquisition Community

1. Purpose. This IPN approves a class deviation to the FAR for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR Part 26.

2. Background. [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) signed April 15, 2025, mandates a comprehensive review and simplification of the FAR.

The FAR is being updated to:

- Eliminate non-statutory language
- Remove redundant or obsolete language
- Enhance clarity through plain language
- Align with the new FAR framework
- Preserve essential governmentwide acquisition standards

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative. This initiative will make the FAR more concise, understandable, and focused on core procurement requirements.

3. Summary of Changes. FAR Part 26, Other Socioeconomic Programs, has been reorganized within each subpart to follow the acquisition process (i.e., steps to take before solicitation vs. after award). This new structure makes it easier and faster to find needed information at each stage of a procurement.

Statutory requirements retained in the RFO FAR part 26 model deviation include, but are not limited to, the following:

- 6 U.S.C. § 796, Registry of Disaster Response Contractors

- 25 U.S.C. § 1544, Additional Compensation to Contractors of Federal Agency
- 41 U.S.C. §§ 8101 et seq, Drug Free Workplace
- 42 U.S.C. § 1792, Promoting Federal Food Donation
- 42 U.S.C. § 5150, Use of Local Firms and Individuals
- Pub. L. 100-707 (42 U.S.C. §§ 5121 et seq), Robert T. Stafford Disaster Relief and Emergency Assistance Act
- Pub. L. 114-328 Section 816, Amendments to Special Emergency Procurement Authority
- Pub. L. 114-328 Section 1641, Special Emergency Procurement Authority to Facilitate the Defense Against or Recovery from a Cyber Attack.
- E.O. 12928, Promoting Procurement with Historically Black Colleges and Universities, and Minority Institutions
