SUBJECT: FAR Class Deviation for FAR Part 49 in Support of Executive Order
14275 on Restoring Common Sense to Federal Procurement

- PURPOSE:** This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) Part 49 - "Termination of Contracts" for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR Part 49. Minimal changes include streamlining of some subparts and sections including Subparts 49.1, 49.2, 49.3, 49.4, 49.5, 49.6. All definitions in 49.001 are retained and updated for plain language. Also, Part 49 includes a streamlined discussion of contract terminations for commercial products and services but retains the existing instruction that Part 49 provisions can be used as guidance for the termination of commercial products/services to the extent the provisions do not conflict with Part 12 instructions. Additionally, all existing clauses are retained (or remain reserved if previously reserved) with no changes to the text.
- BACKGROUND:** [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) signed April 15, 2025, mandates a comprehensive review and simplification of the Federal Acquisition Regulation (FAR).

The FAR is being updated to:

- Eliminate non-statutory language
- Remove redundant or obsolete language
- Enhance clarity through plain language
- Align with the new FAR framework
- Preserve essential governmentwide acquisition standards

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative. This initiative will make the FAR more concise, understandable, and focused on core procurement requirements.

- SUMMARY OF CHANGES:** FAR Part 49, Termination of Contracts, has been updated for clarity and usability. Statutory requirements and presidential directives retained in the RFO FAR Part 49 model deviation include, but are not limited to, the following:

- 31 U.S.C. § 3729, False Claims
- 41 U.S.C. §§ 7101 et seq (Pub. L. 95-563), The Contract Disputes Act of 1978
